EWA ZELLER

**„Painting is my joy and delight and attempt
to survive the chaos of the twenty-first century...”**

Ewa, an artist with European heritage, navigates her creative path in the contemporary New World. She draws inspiration from classic European styles, infusing them with a renewed sense of self, notably highlighting the interplay of color in her depictions of natural subjects.

Influenced by renowned Polish artists of the „Young Poland” movement, including Alfons Karpiński, Jan Stanisławski, Stanisław Wyspiański, Konrad Krzyżanowski, and others, Ewa’s work reflects a deep appreciation of her artistic heritage.

Her art can be found at the AZ Gallery in Arizona, among other venues. Ewa maintains affiliations with institutions like the Art’s Council of Princeton, PRATT Institute in Brooklyn, SVA at Chelsea, and the Pennsylvania Academy of Fine Arts in Philadelphia.

Ewa’s contributions grace private collections throughout the United States, including the Trenton City Museum, Academy of Sacred Heart, and the John Paul II Foundation in Rome, Italy.

Ewa’s extensive career boasts over 150 exhibitions across the United States, with representation at the prestigious Amsterdam Whitney Gallery in New York and sponsorship by World Wide Art in California for showcasing her work at the Art Expo in New York and The Metropolitan Museum of Art in New York.
